RE: Budget Adjustment Ordinance

Attached is an ordinance for the first budget adjustment of 1994. It has been approved by the respective Division Head, the Controller, and the Mayor.

In the past, purchases of street lighting material needed for Barrett Law and COIT projects were purchased outside of the Street Light Department, by Barrett Law and Board of Works directly. This method has proved to be over complicated, and difficult in tracking inventory.

A new method of purchasing street lighting material will be implemented in 1994. All purchases will be made by the Street Light Department. Users of street light materials will be billed for the actual cost of materials for their projects, ie. Barrett Law and CEDIT.

This budget adjustment is to request an increase of \$95,000 for those purchases. Miscellaneous revenue will go up by the same amount, therefore, there is no impact on cash balances.
